Student Group Tours

Educational Science Program

Example 6 Days in Sydney, New South Wales

This is an example of one of many programs that can be supplied in a number of venues throughout Australia. Programs and length of stay can be tailored to suit the requirements of each group.

English language lessons can be provided as specific lessons within the program as well as an informal part of many activities.

Requirements and Equipment: There are no special student requirements; all programs are suitable for a wide range of fitness and age levels and all necessary equipment is provided.
