## Student Group Tours

# Educational Science Program

## Example 8 Days in Sydney, New South Wales

This is an example of one of many programs that can be supplied in a number of venues throughout Australia. Programs and length of stay can be tailored to suit the requirements of each group.

**English language** lessons can be provided as specific lessons within the program as well as an informal part of many activities.

**Requirements and Equipment:** There are no special student requirements; all programs are suitable for a wide range of fitness and age levels and all necessary equipment is provided.
